

**Patricia O'Campo, PhD**

**Chair, Intersectoral Solutions to Urban Health Problems  
Research Scientist, Centre for Urban Health Solutions  
Research Scientist, Well Living House Indigenous Research Action Unit  
Affiliate Scientist, Institute for Clinical Evaluative Sciences  
Professor, Dalla Lana School of Public Health, University of Toronto**

Dr. Patricia O'Campo is Professor of Epidemiology at the Dalla Lana School of Public Health Sciences at the University of Toronto and holds the Chair of Intersectoral Solutions to Urban Health Problems at St. Michael's Hospital. As a social epidemiologist she has been conducting research on the gender inequalities and women's health for over 25 years. Dr. O'Campo's work often focuses on upstream determinants of health including quantifying the impacts of structural issues and social programs on women's well-being.
